Nystatin						
Levamisol (Decaris)						
Mebendasol (Vermox)						
Acyclovir (Zovirax)						
Saquinavir						
Zidovudine						
Interferon						

Please send the photos of the tasks accomplished to your teacher (the e-mails are given below)

Also, the students should pass the tests for submodules 5 and 6 by registering with their usual login and password in the system <http://tests.nuph.edu.ua/login/index.php> The data about their passing will be checked.
